

Living Waters Lutheran College

Application for Enrolment

Our Application Procedure

Before you consider applying for enrolment for your son or daughter at Living Waters Lutheran College please read our College prospectus which gives important information about Lutheran Schools and an overview of what to expect should he or she be enrolled. Please also read the Agreement on the back of the application before making application. Parent and student support of the College and its policies is essential.

Step 1—Complete the Enrolment Form

If enrolment is still sought after reading the prospectus and agreement, complete this form as accurately as possible. Full disclosure of your son's or daughter's learning needs is essential. For immediate enrolment please complete all sections. If enrolment is sought for more than one year into the future we will ask you to leave section 2 blank and you will complete this section when a place becomes available. The College reserves the right to review or terminate the enrolment if full disclosure of your child's needs is not provided.

With this application you should provide copies of the following documents for the child being enrolled:

The Registrar
Living Waters Lutheran College
PO Box 997
Rockingham WA 6168

The lodgement of this form and payment of the application fee does not guarantee enrolment at Living Waters Lutheran College.

In some year levels immediate enrolment may be available. Some year levels may have waiting lists, in which case you will join the relevant year level waiting list.

Step 3—Enrolment Interview

If a place is available for your son or daughter, the College Registrar will contact you by phone to organise an interview with the Principal/Head of School. Please ensure that if your details change following lodgement of your form that you let us know. We cannot guarantee advice of a place for your son or daughter unless we have up to date contact details. We will make every effort to contact you should a place become available, however should we not be able to contact you with the details provided your child/children will be removed from the waiting list and a new application will have to be made should enrolment still be sought. At key enrolment times you may instead be invited to attend an information evening for prospective parents at which an enrolment interview will be organised at a mutually convenient time. We do require your son or daughter to accompany you to the interview.

Step 4—Offer of Enrolment

Should the interview be successful your son or daughter will be offered a place at the College. Should you accept the offer you will be required to pay the family enrolment fee (if you are enrolling a child for the first time) and any other pre-enrolment fees. Upon receipt of the enrolment fee, any pre-enrolment fees and the associated paperwork your son's or daughter's place will be confirmed in writing and he or she will be able to commence at Living Waters on a mutually agreeable date.
