Director's Note

Welcome to Central Park! The Addams Family Musical features characters from the original 1960s television series, later turned into blockbuster movies. In this new chapter, Wednesday has grown up and fallen in love with Lucas, a smart young man from a respectable family. The families have never met and when they do, their children ask them to be 'normal' for just one night, but things go awry, and chaos ensues. Will love conquer and triumph over all?

We have been blessed to work with such an incredibly talented cast and crew who have made this a truly delightful undertaking. Watching our vision become reality on the stage and seeing friendships form before our eyes has been a special experience that we deeply treasure. Thank you to all the parents, friends

and families who have supported the Addams Family journey, without your help we would not have been able to put on this fabulous show.

To our cast, we are incredibly proud of each and every one of you. Your hard work and determination, along with the hours dedicated to practicing singing and dancing has really paid off – you have made this production truly amazing! Thank you for trusting us and pushing yourselves to new heights.

Sit back and enjoy this creepy and kooky, mysterious and spooky musical.
