## Music Scholarships

**In 2021 Living Waters Lutheran College is offering Music Scholarships.**

As part of the College's strategic initiative to grow the Music Programme in our school we are offering Music Scholarships to students with a love of music who will be in years 7 – 10 in 2021. Students in other year levels who meet the criteria are also invited to apply and will be considered on an individual basis.

### Music Scholarship

This scholarship may be offered to a student who is a capable musician. They should be enthusiastic to undertake or continue music lessons on their chosen instrument or voice (refer to application). The student must display:

- A history of commitment to their current chosen instrument / voice;
- A willingness to participate in the extra-curricular activities associated with the music program at the College; and
- A willingness to adhere and uphold the ethos of the College.

**The scholarship is for one year's full payment of musical tuition on a designated instrument or voice with a College endorsed tutor. Reapplication each year is possible.**

**Students who are not currently enrolled at the College are welcome to apply under the provision that if they are successful and choose to accept the scholarship they enrol for the coming year. *Normal enrolment procedures apply including taking into account the availability of places and payment of applicable fees and charges.***

**All scholarships will be at the Music Coordinator's recommendation and determined by the Principal.**

### Review and Monitoring

All scholarships are subject to regular review and monitoring. The scholarship can be withdrawn if requirements are not met. It is an expectation of the College that the following conditions apply:

1. That the student demonstrates satisfactory progress in the instrument.
2. That the study of the instrument does not interfere with academic progress.
3. That the student takes elective music classes where offered.
4. That the student makes a positive contribution to the music life of the College through participation in at least one extra-curricular music ensemble.
5. That the student consistently abides by the expectations laid out in the conditions of enrolment.

### Selection
