## Statement of Commitment to Child Safety

---

Living Waters Lutheran College has developed the following Statement of Commitment to Child Safety as an overarching statement that provides key elements of our approach to the protection of children and it sets the tone for the College's entire Child Protection Program.

This Statement is designed to be Living Waters Lutheran College's public statement of commitment to the protection of children from abuse and grooming, and a demonstration of the College's leaders' commitment to champion child safety in all College environments.

The College's Statement of Commitment to Child Safety has been approved and endorsed by the College's Board and is reviewed at least annually, in light of experience, the effectiveness of procedures and the publication of relevant research.

The Statement is communicated through our public website and staff intranet, as well as through other mediums including the College's annual report and in induction and welcome packs for Board members, staff members, and Direct Contact Volunteers.
