FEES AND LEVIES

Application Fee (non refundable)	\$50.00
Enrolment Fee (one time per family, non refundable) An enrolment fee is applicable when your first child is offered a place at the College. <ul style="list-style-type: none"> The enrolment fee is a commitment to the College of accepting a position for your student. It is important to note that should you accept a place for your child by payment of the Enrolment Fee and subsequently your child does not commence at Living Waters, the Enrolment Fee will be retained in full to cover the costs associated with the enrolment process. 	\$500.00

Tuition Fees

It is a firm policy of the College that fees be kept as low as possible. College fees are set annually by the College Board after budgeting for the year's total income and costs. For 2023, due to economic conditions, we have had to introduce a small increase in tuition fees for all year levels and school levies for some. The overall increase is just 2.35%. We have also introduced a small increase to our IT and Maintenance Levies in 2023, the first for more than seven years.

A large percentage of the College's costs are covered by government grants. The fees charged to families go towards the many costs incurred in the operation of the College, including: teacher's and support staff salaries, teaching expenses (including materials, resources and some excursions), insurances, building and grounds maintenance, finance costs, and other overheads. We endeavour to keep these fees to a minimum for our families, whilst still allowing us to cover essential operating costs.

We have separate levies to assist with the cost of some other specific items such as camps, swimming lessons, IT device support, infrastructure, etc. Individual music lessons are paid direct to private tutors.

The tuition fees and school levies are divided by four, so that parents can have the convenience of making payment instalments at the start of each term. Therefore, the fee to be paid for each term is not that term's fee but is rather a 25% instalment payment towards the annual fee. This is particularly pertinent in Year 12 when school attendance ends early in term 4 but fee payments are extended into term 4 to allow an extra term to finalise the annual account.

Fees and charges are subject to alteration from time to time as decided by the College Board.

Withdrawal Notice Period

Termination of Enrolment: Parent(s)/Guardian(s) may terminate enrolment at any time, however, one full term's notice is required in writing to the Principal. When less than one full term's notice is given, one quarter of the annual tuition fee will be payable in lieu of notice. Any discounts that may have applied to the enrolment will be rescinded and the full amount will be payable.

Fee Assistance Scheme

As a caring Christian school, Living Waters Lutheran College recognises that some families may struggle to pay their full school fees from time to time. There are many reasons for this, including redundancy, illness, relationship breakdown and so on. To assist families through difficult times, we offer a Fee Assistance Scheme.

All applications for Fee Assistance must be made using an application form, which is available from the Finance Manager. All applications are confidential to the Finance Office and College Executive.

Depending on the particular circumstances of a family, the College may offer additional time to pay an existing balance, or a percentage remission (discount) off of the current year's fees. In some circumstances a (dollar value) Principal's Bursary may be offered. The most important thing to remember if you are having trouble with fees is to talk to us. We will always try to help every family. If you need any help at all, please call the Finance Manager, Diane Hawley on 08 9593 9508.

College Banking

The College offers students and their parents an opportunity to bank with the Lutheran Laypersons League (LLL). The LLL offers a variety of accounts to members at a rate of 1.20% interest. There is no cost to open an account and there are currently no fees or charges. Student banking currently takes place every Tuesday. Further information on student or personal banking is available from the College office or the Finance Manager or by visiting the website at www.lll.org.au.

Insurance

Adequate health cover, ambulance cover and insurance is highly recommended. The College does not accept responsibility for loss or damage to personal property, or bodily injury or property damage incurred by students. All students are covered against accidental injury under the Student Accident Insurance Plan. Full details are available from the Finance Manager.

Government Assistance

Eligible parents are invited to contact the Finance Manager for more information about the Secondary Assistance Scheme and Clothing Allowance Scheme.

FEE PAYMENT OPTIONS

As we are a low-fee independent school, Living Waters Lutheran College relies on the timely payment of school fees. Therefore, we try to make available as many convenient ways to pay as we can, to give parents choice and to find a method that suits them best.

The fees we charge are annual fees, but are added to family fee accounts in termly instalments to assist families with their cashflow. Further to this, we offer a variety of options for the timing of the payment of fees, as follows:

Option 1:	An annual payment in advance by 10th February 2023. This option attracts a discount of 4% off of tuition fees only (i.e. not levies etc.) after any other discounts (sibling, scholarship) have been applied. Payment can be made using a variety of methods, see below for details.
Option 2:	Weekly, fortnightly or monthly payments according to an agreed payment plan. Payment can be made using a variety of methods, including bank direct debit and credit or debit card recurring payments, see below for details.
Option 3	Termly payment within 14 days of termly statement. Termly statements are sent out to families at the start of each term, after the new termly instalment of fees has been added to the account. This happens in January, April, July and October. Payment can be made using a variety of methods, see below for details.

FEE PAYMENT METHODS

Payment may be made by cash, cheque or EFTPOS (Visa or MasterCard) in person at the College offices. EFTPOS payments can also be made by telephone on 9593 1211 (please have payment and card details ready) and online at <https://pay.schooleasypay.com.au/living>.

Direct Debit and automatic recurring credit or debit card payments can be arranged by completing an application form available through the College office or online at <https://pay.schooleasypay.com.au/living>. This allows families to spread the cost across the year, instead of having to meet termly payment deadlines and this is the College's preferred method of payment for fee accounts. The College does not accept BPay payments.

Internet Electronic Funds Transfer through your own internet banking facility may also be convenient. When using this method, you should always quote your account reference shown on your statement, the student's name and any other relevant details. The College's bank details are as follows:
