Behaviour Management in Primary School
(from the Primary Diary)

Managing student behaviour in Primary School years is about establishing a positive learning environment

Students are assisted to:

- recognise and regulate emotions.
- Establish positive relationships.
- Make responsible decisions.
- Work collaboratively.
- Respect others.

Behaviour by a student that compromises the Positive Learning Environment is categorised into

- Inappropriate behaviour (general).
- Unacceptable spontaneous behaviour.

Behaviour Management Framework

Behaviour Management Primary School (2-6)	
Step 1	
Establish a positive classroom environment	• **Establish classroom rules** • **Develop with class**
Step 2
